What is PayForIt?

PayForIt (PFI) is a Secure Online Payment system which simplifies payment, collection and balancing of funds for School Districts. It enables parents to fund lunch accounts and pay fees quickly and easily online. PayForIt allows parents to opt into and manage email reminders about their student's accounts.

Minnesota New Country School offers PFI to our parents to fund student lunch accounts and pay student fees online.

Effective December 1, 2016, Minnesota New Country School is pleased to offer PFI to our parents to pay for lunch, check history, review purchases and set up automated email reminders.

Benefits

- ✓ Using PFI, cashiers spend less time taking cash at the serving lines so students have more time to eat. Additionally, there is not a chance of lost lunch money from home to the serving lines!
- ✓ Payments can be made by credit card 24 hours a day, 7 days a week at the parents' convenience.
- ✓ Parents can review what their students are actually purchasing along with account balance information.
- ✓ PFI supports increased communication between the school & the parents.

Features

- ✓ Parents can opt to receive an email when a student balance dips to certain threshold (set by the parent).
- ✓ Parents can opt to use an automatic payment feature which replenishes their student account(s) when a balance dips to a specific level (specified by the parent).
- ✓ School messages are automatically emailed to parents.
- ✓ A continuous online survey is provided to monitor parent feedback and ideas.
- ✓ Student information is automatically transferred from year-to-year and from school-to-school.
- ✓ Parents can manage more than one student account.
- ✓ PFI is PCI compliant and maintains industry standard SSL certificates. This ensures all data is safe & secure as defined by the industry.
