Checklist for Proposing A Senior Project

Please have the following items prepared and ready for Sr Team to review at your proposal pitch meeting.
Approval of your project is based upon successful review of the following items, and successful presentation of Project Pitch.

1. A completed Senior Project proposal form in Headrush, including:
   a. Project Title
   b. One or two key questions your project will answer
   c. Project Manifesto
   d. A copy of your project pitch
   e. The name of a community expert you’ve arranged to work with
   f. A task list that lays out the basic elements of your project

2. A printed copy of your project pitch

3. Evidence of three or more peer reviews of your proposed project

4. A well rehearsed 30-60 second project pitch.

5. A copy of your rubric

Project Approved: ___________ Date:___________
