

Dear MNCS Families:

We are very excited to announce a new program at MNCS this year! MNCS would like to offer students in need, food on weekends and over school breaks when other resources are not available. This program was funded last year through the Rotary Club of LeSueur in partnership with several other organizations. MNCS is taking this on our own this year. It has been and will continue to be called "the backpack food program".

The MNCS Health and Wellness team is spearheading this program. We hope that if this is something your child would benefit from, that you would consent to allow them to be a part of the program. There is no cost for this program. The food will be distributed very discreetly with the utmost of confidentiality.

If you would like your student to participate in this program, please complete the bottom of this page, put it in the enclosed envelope and have your student return it to the front desk of their school. Thank you.

MNCS Health and Wellness Team

I would like my child/ren to participate in the backpack food program.

Student Name _____ Grade _____

Student Name _____ Grade _____

Student Name _____ Grade _____

Parent or guardian signature/or student if age 18 or older:

Print name _____

I do not wish to participate in the program, but would like to donate to this. (Please include donation in enclosed envelope.)
